# Lively Up Yourself

# **Bob** Marley

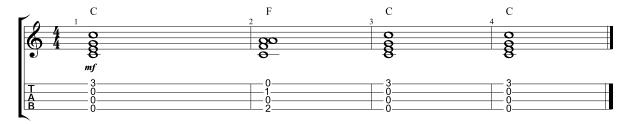

[Verse 1] You are going to lively up yourself, and don't be no drag You got to lively up yourself, oh, Reggae is another bag You are going to lively up yourself and don't say no You got to lively up yourself, because I said so

[Chorus] You rock so, you rock so Like you never did before You dip so, you dip so Dip through my door You come so, you come so Oh veah! You skank so, you skank so, be alive today

[Verse 2] You are going to lively up yourself and don't say no You lively up yourself, big daddy says so You lively up yourself, don't be no drag You lively up yourself, because reggae is another bag

What you got that I don't know I'm trying to wonder, wonder, wonder Why you wonder, wonder why you act so Did you hear what the man said Lively up your woman in the morning time, you all Keep lively up your woman when the evening come And take her, take you, take you, take you

## [Chorus]
